## SCOPE OF JOURNAL

- **Pesquisa e Ensino em Ciências Exatas e da Natureza** is a peer-reviewed, free-access multidisciplinary electronic journal with no publication fees edited by a team of professors of the Academic Unit of Exact and Natural Sciences (UACEN) of the Professor Training Center (CFP) of the Federal University of Campina Grande (UFCG) – Cajazeiras campus – in the state of Paraíba, Brazil.
- The journal is directed primarily to the academic-scientific community and continually receives contributions for the publication of regular editions as well as thematic and/or special editions.
- The aim of the journal is to publish contributions written in Portuguese or English in all fields related to research and teaching in the Exact and Natural Sciences as well as Agrarian Sciences, Biomedical Sciences, Earth Sciences, Education and Teaching, Engineering Sciences, Environmental Sciences, Health Sciences, Humanities and Social Sciences etc., in an annual volume/issue.
- The journal publishes original articles and notes based on scientific research, original articles of a theoretical-methodological nature, literature reviews, book presentations, points of view, news, opinions, experience reports, printing errors, obituaries and editorials.
